

Recycling – for City of Eden residents only. Proof of residency required.

The Mebane Bridge Recycling Center accepts the following:

- Number 1 and 2 plastics
- Clear, brown and green glass food containers
- Newsprint
- Cardboard
- Aluminum
- Steel and tin cans
- Mixed paper
- Waste oil
- Auto type batteries
- Oil and water based paint.
- Most electronics: These must be whole as when manufactured. Acceptable items include basically anything with an electrical cord attached **except televisions and VCRs.**

To reduce waste going to the landfills, the state has issue a ban on the following materials from landfills: Rigid Plastics

Rigid plastic containers are defined as bottles that have a neck smaller than its body:

- plastic toys
- lawn furniture
- plastic totes
- pet carriers and litter boxes
- cleaned empty garbage cans (any size)
- rinsed plastic drums (any size)
- plastic pallets, nursery trays and flower pots
- plastic five gallon water bottles
- plastic outdoor toys (sandboxes, slides, play kitchens)

These rigid plastic containers are accepted at the Recycling Center on Mebane Bridge Road.

There are also state bans on the following: Motor Vehicle Oil Filters and Oyster Shells.

The city now provides an oil filter recycling unit at the Recycling Center on Mebane Bridge Road for oil filters. Residents will be able to bring their recycled oil filters there for processing. Oil filters must be free of oil.
