City of Eden

**FIRE
DEPARTMENT**

ABOUT US

At the City of Eden Fire Department, we serve the citizens of Eden along with assisting our neighboring departments.

We are composed of four engines, two ladder trucks and one squad/brush truck. These trucks are housed at our four stations across the city to ensure fast and adequate responses to all citizens.

Our department has numerous positions who work as one team - ranging from part-time on-call members to full-time 24-hour personnel.

TRAINING

We conduct our training each Thursday from 7-10 p.m. Other classes and certifications are available through Rockingham Community College, including Technical Rescue and EMT-B.

FEMA certifications are also available.

A minimum of 72 hours of departmental training is required annually.

HOW TO BEGIN

Download an application:

or visit our department to apply.

Pay is determined by certification from non-certified through Firefighter/Driver Operator 1.

Completed applications should be turned in at the Eden Fire Department, Station 4, 135 E. Stadium Drive
