

## LOOSE LEAF COLLECTION 2023-2024

The City of Eden loose-leaf collections is from October 16, 2023 through March 1, 2024.

The leaf collection schedule is as follows except for parts of the Central Area (Stadium Dr. towards Kings Highway); Highland Drive and Dameron Street. These areas are targeted for collection on Wednesdays. The following schedule is the plan but weather, equipment, and the amount of debris that is out for collection may alter the schedule at times

- Monday will be leaf collection day for the Northridge area.
- Friday garbage collection and leaf collection to be ran on same day for the following areas. Begin at N.C. Hwy 135 and N.C. 770 taking in all streets on both sides of Hwy 135 to Harrington Hwy. (including all streets in Indian Hills and both sides of Brammer Rd. from N.C. Hwy 135 to N.C. 770). Harrington Hwy from N. C. Hwy 135 to N.C.770 taking in both sides of Harrington Hwy and both sides of Bedding Field Rd. to Dead end on Fire Department side only. N.C.770 from Harrington Hwy right side only back to N.C. Hwy 135.

PICKED UP ON TUESDAY  
PICKED UP ON MONDAY  
WILL REMAIN THE SAME  
PICKED UP ON FRIDAY  
PICKED UP ON THURSDAY

Leaves must be at curbside by 7:00 A.M. on your collection day.

Leaves to be collected should not be placed in the traveled portion of the roadway as traffic would be impeded. Place leaves at a location away from any objects such as parked cars, low hanging tree limbs, power/phone/cable lines, catch basins, or drainpipes. It is important that leaves are not placed in the actual ditch to prevent potential flooding caused by such a practice.

Sticks, rocks, bricks, or any foreign type objects should be kept out of the leaves for pick-up as these type objects delay the collection process and can cause severe damage to the collection equipment.

Residents are encouraged to retain leaves on their property and compost when possible by implementing a “backyard composting project.”

Residents wanting leaves for gardening purposes should contact the City of Eden’s Street Division for information on signing up for delivery of leaves by the truck load.
